SUMMARY

Senior marketing analyst with 5+ years driving growth across B2C and B2B. Turns data into impact supporting a \$300M raise, €48M transformation, and D2C break-even in 11 months.

EXPERIENCE

Growth Marketing Strategist (Part Time)

Oct 2025 – Present

Eleos Social

Blaine, USA

- Built an AI-driven performance marketing measurement framework linking platform KPIs to revenue, directly supporting a \$300M Series B raise through investor-ready attribution and growth insights.
- Developed TAM/SAM-based segmentation and competitive ecosystem models, uncovering new distribution opportunities across the world.
- Reduced executive decision latency by 25% and closed 15+ global partnerships by translating multi-source media data into Tableau dashboards, scenario models, and quantified lift/overlap analysis for investment decisions.

Customer Growth & Insights Strategist (Contract)

Nov 2025 – Jan 2026

Williams-Sonoma, Inc.

Phoenix, USA

- Recovered \$120K+ in daily at-risk revenue by applying customer journey analysis and SQL root-cause diagnostics to 200+ fulfilment exceptions, eliminating friction suppressing repeat-purchase rates and CLV.
- Built cross-functional Power BI and Tableau dashboards exposing real-time bottlenecks across four business units, improving throughput 18% and aligning all stakeholders to a single source of truth.

Digital Strategy Consultant (Capstone)

Aug 2024 – Dec 2024

City of Tampere

Tampere, Finland

- Designed a €48M smart-city digital transformation strategy integrating AI, IoT, and ecosystem planning — unlocking simultaneous funding approval across three government stakeholder groups.
- Conducted brand awareness and digital maturity assessments, converting ambiguous stakeholder priorities into sequenced workstreams that accelerated implementation timelines 40%.
- Unified government, industry, and academia under a shared OKR and governance model, reducing inter-agency coordination friction and improving cross-sector alignment by 30%.

Digital Content & Engagement Strategist

Apr 2024 – May 2025

100 Million Learners Club, Arizona State University

Phoenix, USA

- Boosted learner engagement 25% by restructuring 200+ multimedia assets and deploying A/B testing and personalization frameworks for a globally distributed audience across 12+ time zones.
- Reduced content build time 30% through LMS migration, workflow redesign, and reusable SOPs, freeing 1.5 FTEs and compressing time-to-publish from three weeks to under ten days.

Brand & Growth Strategy Lead

Oct 2019 – Jul 2023

Samruddha Organics

Bengaluru, India

- Drove omni-channel execution across Instagram, WhatsApp Business and TikTok, aligning performance marketing with distribution strategy.
- Captured 35% regional market share in 18 months by scaling performance media and implementing brand measurement to track awareness and consideration.
- Accelerated subscriber growth by reinvesting gains into paid social and brand campaigns, optimizing spend and channelling performance.

EDUCATION

M.S. Global Management — Strategy & Operations

Aug 2023 – May 2025

Thunderbird School of Global Management, Arizona State University

Phoenix, USA

- \$35,000 Academic Merit Scholarship · Director of Event Management, Student Government

B.S. Life Sciences (Chemistry, Botany, Zoology)

Jun 2015 – May 2019

Christ University

Bengaluru, India

NOTABLE PROJECTS

- Eight Sleep GTM & Performance Analysis:** Built full-funnel performance marketing campaign assets and audience insights framework using InVideo, Visme, Suno AI, and Eleven Labs for a \$2B+ consumer tech brand.
- Amazon Barcelona Market Entry:** Applied PESTLE framework and Tableau to produce an investment-grade market analysis and entry-priority scoring model for Amazon's strategic regional expansion.
